Letter of Appreciation

I have immense pleasure in appreciating with thanks the constructive role played by **Ms. Sangeeta Satish Rao** bearing SRN: PES1201700320, in Data Structures and Algorithms - UE19CS202, course of the minor in Computer Science & Engineering, Bachelor of Technology program, as my **Teaching Assistant** during the academic session Jan to May 2021.

Her involvements in this assignment and value addition to the course have been noteworthy.

With Regards,

V R BADRI PRASAD
